OFFERTORY ENVELOPES, GIFT AID & PAYING BY DIRECT DEBIT

The parish is showing great strength. Thank you to those who are posting or hand delivering filled offertory envelopes through the door of number 25. Everything is being banked to help with the bills coming in. This is a wonderful response to the situation. Thank you.

With respect to your offering, please consider your contribution to your church only as part of ALL your outgoings at this time.

It is likely that the design of this newsletter may develop over time. The previous office computer has been retired after seven years service and replaced by the one I am using now. It has new bells and whistles and will offer more opportunities to present information clearly. Those using it are on a bit of a learning curve.

You will notice that the external woodwork at both churches has been painted. Lighting is being improved too. The aim is to keep up to the work needed to maintain both Our Lady and Saint Paulinus and Saint Joseph's over time.

Should you know of anyone who needs a telephone call or can be visited, given the need to do so safely, please do not hesitate to be in touch. It may be someone who is feeling low or lonely, someone whose employment situation is changing or someone who is poorly. Let us continue to pray for each other and make sure that we find our way through these difficult days.

Having Mass celebrated puts faith into practice & unites us all in prayer. We can celebrate the joy of new birth, success in education, sport or work. Mass for the ill focuses our prayer on their recovery or acceptance of their condition. We commend the deceased to the embrace of God's Love and comfort the bereaved. Whilst there is no charge, ten pounds is the suggested donation in the Diocese. At every Mass we pray for all the people of the parish.
