**PARISH MAINTENANCE:** Work is on going to the fabric of both Saint Joseph's and St. Paulinus. Over £8,000 paid out between the two parishes last week for repairs.

**Getting the Job:** It is great that people are receiving the protection of the vaccine. Many other places are not so organised and the virus is still causing havoc without hope of remedy. Let us keep a worldwide as well as a local perspective of this challenge and hold each other in prayer. (Cartoon courtesy of Private Eye)

**Mailing List:** The Contact list for the parishes is constantly changing. I hope to send out more information soon especially to those who have been housebound and shielding for such a long time.

When it is safe it would be lovely to be able to celebrate Mass with all those who are waiting for the moment it is safe to return.
