For the Funeral Service of the late Margaret Potter, the limit is thirty mourners. The people who tend to come to that Mass are most welcome to come and support the family of Margaret.

Saint Valentine, a priest living in the third century was martyred in Rome. He had the audacity to marry persecuted Christians and is known for healing powers and is the patron of those with epilepsy. We heal through the way we serve each other. A little bit of love and kindness can go a long way. Happy Feast Day for both singles and couples.

Having Mass celebrated puts faith into practice & unites us all in prayer. We can celebrate the joy of new birth, success in education, sport or work. Mass for the ill focuses our prayer on their recovery or acceptance of their condition. We commend the deceased to the embrace of God's Love and comfort the bereaved. Whilst there is no charge, ten pounds is the suggested donation in the Diocese. At every Mass we pray for all the people of the parish.

Mass Intentions Received: Margaret Prendergast, Helen Fiddis, Dennis Lackey.

PERU: Sincere thanks to those of you who have been so generous to our friends across the Atlantic and rain forest. I made a transfer last week which will help provide basic essentials to our students who have practically no other income. Peru offers no type of social security to the poor. Our help means a lot all of the time. At the moment it is keeping people going.

Please get in touch for anything I can help you with.
The Churches are open throughout the week for Mass.
