Having Mass celebrated puts faith into practice & unites us all in prayer. We can celebrate the joy of new birth, success in education, sport or work. SERVERS, READERS, MINSTRELS AND CHURCH CLEANERS

It takes all sorts to make a parish community and service to the parish community take all sorts. As we all begin get back to Mass, we need to build up our base of volunteers. All are welcome. Perhaps some of those making their Holy Communion this year might want to be more involved. There are a multitude of jobs to do and ministries to be undertaken. The gifts you are asked for are a bit of commitment and time. Here are some ideas. I would welcome others.

- [Altar Servers](#) help the Mass to be celebrated in a dignified manner.

Mass is at the heart of our faith and giving ourselves to service at the altar during the celebration of God's love for us can be an enlightening experience. Training will be given.

- [Readers](#) help people hear the Word of the Lord. They will learn more from the Bible as they study the passage before they read aloud so that the whole congregation can hear and understand. Expressing oneself in this way is a really useful skill to be used in other settings too.

- [Cleaners](#) keep our beautiful churches ready for the Mass and for quiet prayer. The buildings offer their own charm when they are quieter and you may have a little more time to reflect in them.

- [Musicians](#). Do you play a musical instrument? Could you play in church occasionally?

[Please come forward if you would like to offer your gift of time to the parish.](#)
