Who we are is united us in the person who is our Lord of All.*

About the Palms We Use this Weekend: [African Palms](#) gives people living in a very poor part of Tanzania the possibility of earning some extra money. The people's daily work is the planting of maize, millet and some ground nuts to feed themselves and their families. The important thing about the Palm Cross project is that it does not interfere with their work of producing the food they need to live. People look forward to being able to do the work. Their work is really good and the crosses are made beautifully. At the end of each year, if there is any money over after all the costs are paid, it is covenanted The African Palms Association. The trust aims to give help to schools and for medical work in the area.

Disability Help: Connecting with parish life can be more difficult when living with disability, housebound due to illness, or as a carer or parent of someone who lives with disability or special needs. Living with a disability could mean having a physical, learning or sensory disability, autism, dementia, a mental health condition, or other difficulty. Every parish is our 'first home' and the place where we should feel welcomed and that we belong! For more information to make sure all feel at home: disabilityhelp@dioceseofleeds.org.uk
