There are many elements which need to come together to allow the church to flourish. We The People who worship the Lord at home and as a congregation form the church. Together we have a transformative affect in our area and make our part of the world a better place to live. Members of the

church offer support to each other and also contribute in their God-Given gifts in their work and social life. However you help make the church, thank you. *Thank you so much*

for your financial contributions to your parish. Buildings have a habit of needing resources spent on them. Repairs are being undertaken on most of our parish infrastructure at this time. Competitive quotes and good, reliable workmanship is always the priority. Many parishioners pay by direct debit or standing order. Your support is very welcome and forms part of the bedrock of the parish's financial stability. Gift Aid, the tax received from your offertory if you are a tax payer, brings in enough to cover some regular expenditure over the course of a year. Your prayers and financial support means we can look beyond maintenance to Mission and reach out to bring the Gospel and some cheer to ever more people.
