**Ladies Fitness Club:** No doubt this is of great benefit to all who attend. The Sessions will be suspended for three weeks whilst the leader has a break.

**St. Joseph's Roof:** Work should start in the coming days, with the scaffolding up this week. The new roof lights will be double-glazed, a similar colour to the existing and significantly stronger. Installation work could take some weeks and all depends on the weather.

**Hearing the Mass:** The microphones and speakers in both churches could do with improvement and due to be upgraded. To get this right, please tell Fr. Jonathan how easy it is to hear from the microphones on the priest, the lectern and altar. If you really cannot hear a word at the start of a Mass, please do not sit in silence. Let the priest or reader know. Many thanks.

**St. Joseph's Flea Market** is also always looking for new things to display. Please consider when you, a relative or friend are decorating or moving house. Please volunteer to work in the Flea Market. The friendly team would love more people to get involved.
