**Pope's Message for World Day of Prayer**  
**for the Care of Creation**

**September begins the Season of Creation** a time of sustained prayer and action which lasts a month and four days. During this season we are encouraged to pray and engage in community events in order to deepen our relationship with God, our neighbour and the earth we share. The Pope's message calls on us to 'Listen to the voice of creation' the sweet song in praise of our creator alongside the lamenting our mistreatment of our common home. The main and most recent document from Pope Francis is **Laudate Si**. You can read it here:
